

# Security Policy Statement

---

## A message from our CEO

Star Aviation is committed to providing a secure workplace and supporting the Australian Governments enhanced security protocols for air travel for our people and the travelling public. We will achieve this by providing the necessary intelligence, support and security promotion to our people and our systems. This is supported through continual improvement and the systematic management of security activities. We will continue to support our clients and regulatory bodies regarding aviation security.

## Our Objectives

- Outline the minimum mandatory security requirements.
- Foster a culture of continually improving security within the business.
- Document security requirements and procedures.
- Outline roles and responsibilities regarding security related activities.
- Monitor and measure our ongoing improvement.
- We will monitor and evaluate security threats.
- Ensure all data regulatory requirements are met or exceeded.
- We will engage our staff through a concentrated promotional and training program, building stronger security awareness.
